Requested tents, along with poles, rope, stakes and hammers, will be placed near the campsite latrine and available to set up upon arrival. Tents need to be taken down and placed in the same area prior to departure (weather permitting). A staff guide will be on-site to direct Scouts in the set up/take down.

Please mail this form directly to Bear Paw Scout camp at least 10 days prior to arrival at camp. This will allow staff and the camp ranger time to prepare the campsite. Mail to:
