

Dear Unit Leaders:

Thank you for exploring the newest Bay-Lakes Council summer camp experience, Wolf River Adventures! These programs are designed for older Boy Scouts and Venturers who have experienced the traditional summer camp programs and are looking for something more. The best young men and women for this program are those that are age 14 and older, and have a desire and passion for experiencing challenging outdoor adventure.

Please read through the following program information, then share it with the key youth leaders and other adult committee members of your unit. Discuss the program, identify any questions you may have, and then attend the **Camp Leader Orientation at the Fox Valley Technical College in Appleton on Saturday, January 30<sup>th</sup>, 2010**. There you will meet other leaders who share similar interests and questions that will be answered by a panel of leaders who have worked long and hard in putting these programs together. We will meet in the **cafeteria (entrance #10) at 9:00 am for a social and begin promptly at 9:30 am**. The orientation will include general information about upcoming events in the Council, Boy Scout camp, Cub Scout camp, Webelos Resident camp and, of course, the Wolf River Adventures Program.

I look forward to seeing you there! In the meantime, read, prepare and communicate with other members of your unit. If you would like a member of the staff to visit one of your unit meetings, please contact the Center for Scouting at (920) 734-5705. Also feel free to contact me with any additional questions you may have. Ready to kick-off the third summer, the Wolf River Adventures program is continuing to grow and we are excited that you will be a part of it!

### 2010 Guidebook to Adventure

# Wolf River Adventures

#### **General Information:**

Welcome to the fun and adventure of older youth programs in the Bay-Lakes Council! This document will guide you through the necessary steps in building a High Adventure program for your Boy Scout troop or Venture crew. In a troop, these programs will allow older Scouts to experience new and exciting high adventure activities while your younger Scouts have a fantastic experience at the council's two premier Boy Scout camps, Bear Paw (BP) and Gardner Dam (GDC).

There is an excitement and magic in the northwoods like has never been felt before! Long ago the Native Americans, French Voyageurs, fur trappers, lumberjacks and frontiersmen all played a key role in shaping the state of Wisconsin into what we know it to be today. Their impact is still felt in the great north woods. Particularly strong is the relation between these pioneers and the new high adventure program being rolled out for you in 2010! So come join us in an adventure second to none!

#### *High Adventure Program Offerings*

**Door County Adventure (14 yr)** – This exciting high adventure trek utilizes Door County, our very own “Cape Cod of the Midwest”. After some basic sea kayaking training, your crew will be transported to Jax Camp, a Bay-Lakes Council property near Sturgeon Bay, where you will base camp for a week of sea kayaking and sailing (optional) on the waters of Green Bay, as well as bike touring on the trails and byways of Door County. You'll also get some free time to play tourist!

**Voyageur Canoe Adventure (14 yr)** – The canoe routes that you will paddle are the very same ones used by Native Americans, French-Canadian Voyageurs, trappers and hunters in the old Northwest Territories. This trek will take you to the beautiful and wild Flambeau River in north central Wisconsin. Rated one of the best paddling rivers in the Midwest, the Flambeau offers flat water, as well as some challenging Class I and Class II rapids plus terrific scenery as you paddle and then camp in the Flambeau River State Forest.

**Whitewater Adventure (14 yr)** – You can't ask for any better whitewater kayaking opportunities than what we have right here in northeast Wisconsin. This high adventure trek will put you in whitewater kayaks on the Wolf and Red Rivers...just to name a few. Your crew will base camp at Gardner Dam and hit several sections on different rivers throughout the week with challenges for all abilities. When you're not on the water, participants will get a taste of black powder rifle, shotgun, .22 rifle and other programs at Bear Paw Scout Camp. We also have an advanced level week, for the more experienced paddler.

**Northwoods Adventure (14 yr)** – This fantastic high adventure program has something for everyone! Utilizing resources at both Bear Paw and Gardner Dam Scout Camps, participants will have the opportunity to participate in COPE (**C**hallenging **O**utdoor **P**ersonal **E**xperience), rock climbing and rappelling, black powder rifle, not to mention several waterfront activities. You will camp for two nights at Gardner Dam Scout Camp and then travel to Bear Paw Scout Camp where you will camp for two nights at our hidden jewel of a campsite, Explorer Point. The program concludes with a challenging 20-mile mountain bike ride through the breathtaking Nicolet National Forest, with an overnight stop at beautiful Boulder Lake.

**Wolf River Adventures**

**Prerequisites:** Age 14 years of age for all four adventures - Door County, Voyageur Canoe, Whitewater and the Northwoods Adventure.

**Behavior & Responsibility:**

The behavior of all participants on all Bay-Lakes Council treks is guided by the principles of the Scout Oath & Law and the Venturing Oath. The assigned staff leadership is responsible for all persons assigned to their crew. Should the assigned staff leadership determine that actions or behavior of any crewmember is inappropriate or affecting the experience of other crew members, they are authorized to contact that participant's unit leader or parent to pick up the person and take him or her off the trek at the participant's expense (no refunds).

**Great Option!**  
**Provisional Week**  
**July 4 - 10**

**Venturing/ Boy Scout Provisional Camp:**

This program is for youth that cannot attend a high adventure program with their crew/ troop or for someone that wants a little bit more adventure. You may choose to participate in one of the four different Wolf River Adventures programs. Minimum age is 14. Adult leadership is provided for this program.

**Easy!!**  
**Venturing Unit Participation**

Participation for Venturing units is easy. We have a spot for you. Equipment is part of the program and leadership can be shared. All you will need is your own personal gear. Small groups are welcome. You can participate in any of the four different Wolf River Adventures programs.  
Check it out.

# Door

# County

## Adventure

### Activities

The Door County area of Wisconsin with its high bluffs and extensive shorelines is one of the nation's most scenic locations. Jax camp, also owned by the Bay-Lakes Council, is the outpost for this exciting adventure. It starts with:

**Sunday:** Check-in and swim test at GDC. **You must be a swimmer to participate in this program.** If your troop is camping at Bear Paw, transportation will be provided to GDC. All crew members camp at GDC for Sunday night.

**Monday:** Morning - introduction to Sea Kayaking. Afternoon - pack, travel to Jax Camp and set up your outpost.

**Tuesday:** Sea kayaking on the bay exploring islands and visiting scenic spots. Tuesday evening will have some free time in Sister Bay

**Wednesday:** More adventure sea kayaking on the bay or optional sailing program.

**Thursday:** Spent biking on scenic roads in Door County. You will also have free time in the afternoon at Fish Creek.

**Friday:** Adventure sea kayaking. Friday afternoon you will break down your outpost camp and travel back to GDC for an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout Camp after dinner, if your unit is camping there

**Saturday:** Departure from GDC or Bear Paw Scout Camp.

### Leadership

Each crew needs to provide two adults over 21. Coed adult leadership needs to be provided for coed crews. If you do not have enough participants for a crew, we can combine you with another group. A staff member over 21 will be provided for the first Door County Adventure crew and a staff member over 18 will be provided for the second crew (if needed).

### Tenting

You will stay in Blueberry Acres at GDC on Sunday night. Participants can also bring their own personal tent to use if they prefer.

### Meals

Meals will be prepared for you when staying at GDC. Your crew will prepare meals at Jax Camp.

### Equipment

Bay-Lakes Council will provide necessary transportation to Jax Camp and crew equipment for the adventure. Bring your own tent or stay in a provided tent at Jax Camp. Please see the Personal Equipment List for other items recommended.

# Sailing Option

In Door County, there is also the option of Sailing with the Sail Training Foundation, part of the Sturgeon Bay Yacht Club\*. If choosing this, your crew will have the opportunity to sail in the channel that connects the Green Bay to Lake Michigan. The Sail Training Foundation has a variety of boats, from small 8ft single sail training boats, to 19ft Flying Scots! Here is the schedule for the Door County Adventure, including sailing.

**\*There is an additional fee of \$30 for the sailing option.**

**Sunday:** check-in and swim test at GDC. **You must be a swimmer to participate in this program.** If your troop is camping at Bear Paw, transportation will be provided to GDC. All crew members camp at GDC for Sunday night.

**Monday:** Morning - introduction to Sea Kayaking. Afternoon - pack, travel to Jax Camp and set up your campsite.

**Tuesday:** Day 1 of Sailing.

**Wednesday:** Day 2 of Sailing.

**Thursday:** Sea Kayaking on the bay exploring islands and visiting scenic spots.

**Friday:** Optional bike ride in the morning. Friday afternoon you will break down your outpost camp and travel back to GDC for an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout Camp after dinner, if your unit is camping there

**Saturday:** Departure from GDC or Bear Paw Scout Camp.

## Activities

The canoe routes that you will be paddling are the very same ones used by Native Americans, French-Canadian Voyageurs, fur trappers and hunters of the upper Midwest. This is a paradise with thousands of lakes and wild, scenic rivers. Undeveloped wilderness and pristine water will make this adventure something that you will remember for a lifetime.

When you arrive Sunday at GDC, you will check-in, do a swim test and spend some time working on your canoeing skills. If your troop is camping at Bear Paw, a shuttle van will take the participants to GDC. **You must be a swimmer to participate in this adventure.** All crew members will camp at GDC on Sunday night. After you pack and organize your equipment, you will depart GDC on Monday morning for the Flambeau River.

Your crew will be returning to GDC on Friday afternoon in time for an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout camp if your unit is camping there.

## Leadership

Each crew needs to provide two adults over 21. Co-ed leadership needs to be provided for co-ed crews. If you do not have enough participants for a crew, we can combine you with another group.

## Tenting

You will stay in Blueberry Acres at GDC on Sunday night. Participants can also bring their own personal tent to use if they prefer. Participants should provide air mattresses if desired.

## Meals

Meals will be prepared for you when staying at GDC. Your crew will prepare meals during the canoe trip.

**Equipment-** the trip includes:

- 17' Old Town canoes, paddles and life jackets
- Tents, packs and crew gear for the trip
- Transportation and other crew equipment. All you will need is your own personal equipment. A personal equipment list is provided later in this section.
- All food for the week.

# Whitewater Adventure

## Activities

The Wolf River is the most famous and popular whitewater destination in the Midwest. The river is famous for its wild and scenic beauty and dramatic whitewater. The location of Gardner Dam Scout Camp, home of the Bay-Lakes Council's Whitewater program, is located at the epicenter of this premier whitewater. This river is suitable for beginning, intermediate and advanced paddlers. The Wolf is only one of many fantastic whitewater rivers in the area on which you will paddle.

If you are looking for excitement and action, this is the program for you! Top notch instruction and equipment, with safety as our first concern, makes this program to repeat a second and third time.

**Sunday:** Check-in and swim test at GDC. **You must be a swimmer to participate in this program.** If your troop is camping at Bear Paw, transportation will be provided to GDC. All crew members will camp together at GDC Sunday through Thursday nights. After dinner, the crew will be outfitted in paddling gear for the week. All crew members will camp together at "Big Rock" campsite at GDC on Sunday thru Thursday nights.

**Monday:** The program begins with an introductory and safety training orientation on the pond at Gardner Dam. After that, the program progresses for (4) days of paddling through increasingly difficult whitewater at a pace that will challenge but not overwhelm. Participants get to pick the challenges that they want. The staff will get you there with a focus on safety.

**Tuesday:** Paddling on the Wolf River.

**Wednesday:** Hike to Bear Paw Outfitters, then spend the afternoon at Boulder Lake, lake kayaking, hiking, and other activities. Grill-out for dinner and have a bonfire!

**Thursday:** Paddling on the Red River during the day. Slalom racing in the evening

**Friday:** Paddling on the Wolf River. Friday evening we will have an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout Camp after dinner if your unit is camping there.

**Saturday:** Departure from GDC or Bear Paw Scout Camp

## Tenting

You crew will camp together starting on Sunday night, continuing through Thursday night at "Big Rock" campsite at GDC. Participants should bring their own personal tent to use. Tents could be provided if required. Participants should also provide air mattresses if desired.

## Leadership

Each crew needs to provide two adults over 21. Co-ed leadership needs to be provided for co-ed crews. If you do not have enough participants for a crew, we can combine you with another group. No adult leaders are required to come with their youth on this program; however they are certainly welcome and encouraged to paddle if they are interested in doing so.

## Meals

All meals are prepared for participants of this program.

## Equipment

All paddling equipment and transportation will be provided. Please see the Personal Equipment List for suggested personal items. It will be a full and exciting week of adventure!

# Advanced

If you have prior paddling experience this exciting program may be for you. Instructors for this program will include excellent staff from the Wausau Whitewater course. This is a provisional program so adult leadership is provided for this event. Participants will tent camp at GDC all week.

# W h i t e w a t e r

**Sunday:** Check-in and swim test at GDC. **You must be a swimmer to participate in this program.** If your troop is camping at Bear Paw, transportation will be provided to GDC. Crew members will camp together at GDC on Sunday thru Friday nights.

**Monday:** The program begins flat water orientation on the pond at Gardner Dam and moves to the moving water slalom gates on the Wolf River in camp.

**Tuesday:** The program continues with challenging the whitewater slalom gates above the lower bridge at GDC.

**Wednesday:** Programming at Bear Paw Scout Camp that will include climbing, sailing, black powder rifle and other great fun.

**Thursday:** Travel to the nationally renowned Wausau Whitewater course to challenge the big water while running their slalom course.

**Friday:** Return to the Wausau Whitewater course. Friday evening we will have an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout Camp after dinner, if your unit is camping there.

**Saturday:** Departure from GDC or Bear Paw Scout Camp

# Adventure

## Activities

This is a fantastic adventure that gives the participant exposure to a variety of high adventure activities: COPE, wall climbing, rock climbing, shooting black powder rifles, shotguns, various waterfront activities, and a challenging overnight mountain bike trek. Highlights include:

**Sunday:** Check-in and swim test at GDC. If your troop is camping at Bear Paw, transportation will be provided to GDC. Northwoods crew members will camp together on Sunday through Thursday nights. Sunday and Monday the crew will stay in "Big Rock" at GDC.

**Monday:** COPE, climbing and a hike at GDC.

**Tuesday:** The excitement moves to Bear Paw Scout Camp for rock climbing and black powder rifle. A special part of program is camping at a primitive and secluded campsite, Explorer Point, on Tuesday and Wednesday nights. Meals will be at the Bear Paw dining hall while at that camp.

**Wednesday:** Another busy day with lake kayaking, sailing and snorkeling at Bear Paw.

**Thursday:** The strenuous 20 mile mountain bike trek to Boulder Lake through the rugged Nicolet National Forest is a challenging day. That night you will camp at Boulder Lake and you will have earned your rest!

**Friday:** You will continue your adventure at Boulder Lake in the morning and later in the day you will bike to Gardner Dam Scout camp to finish out your trip. Friday evening we will have an exciting closing dinner. After dinner you will return to your unit for camping on Friday evening. Transportation will be provided back to Bear Paw Scout Camp after dinner, if your unit is camping there.

**Saturday:** Departure from GDC or Bear Paw Scout Camp

**You must be a swimmer to participate in the water activities in this program. You will take your swim test on Sunday afternoon at Gardner Dam Scout Camp.**

## Leadership

Each crew needs to provide two adults over 21. Co-ed leadership needs to be provided for co-ed crews. If you do not have enough participants for a crew, we can combine you with another group.

## Tenting

You crew will camp together starting on Sunday night, continuing through Thursday night. On Sunday and Monday night you will be staying at the "Big Rock" campsite at GDC. You will camp at Bear Paw Scout Camp's hidden jewel (Explorer Point) on Tuesday and Wednesday. On Thursday evening you will camp at Boulder Lake. Tents will be provided.

Participants may bring their own personal tent to use if they prefer.

Participants should also provide air mattresses if desired.

## Meals

Meals will be prepared for you when staying at GDC. You will eat at the Bear Paw dining hall during your stay at Explorer Point. Your crew will prepare meals at your campsite at Boulder Lake.

## Equipment
